

Located in Western Prince Edward Island, **PEI Juice Works** is a producer of **100% pure wild blueberry** juice products. PEI Juice Works aims to improve the lives of consumers by producing delicious juice that delivers natural health benefits. The all natural juice is a convenient way of receiving the benefits of wild blueberries every day.

PEI Juice Works products are produced from an **ancient European process** that was originally crafted by a Mennonite family more than 100 years ago in Eastern Europe and passed down from family to family. This recipe has been crafted over generations to not only preserve but also protect the **natural elements** produced by wild blueberries.

Why Choose Wild?

100% Pure Wild Blueberry Juice

PEI Juice Works Wild Blueberry Juice has approximately 150 wild blueberries in every 60 ml serving. Each bottle of Wild Blueberry Juice has approximately six servings (375ml). Inside every bottle you will find 100% pure Wild Blueberry Juice with absolutely **NO** sugar, water, or preservatives added!

Ingredients: 100% Wild Blueberry Juice

Recommended Usage: Our juice can be consumed as is, or added to your favourite beverage. It also makes an excellent ingredient in many fine dishes.

Product Description: 100% pure Wild Blueberry Juice that is dark blue in colour with the characteristic odour and flavour of wild blueberries and a viscosity of juice.

Organoleptical: Products are evaluated regularly during production by qualified inspectors who approve the product to possess a satisfactory flavour and aroma.

Storage Conditions: Product should be stored in a cool dry area and handled with relative care to ensure package integrity.

Package size: Our products are bottled into 375 ml glass bottles and packaged into a case of 12.

Shelf Life: 2 years. Refrigerate after opening and consume within three weeks.
